The minimum wage will increase in a number of states next year, listed at the right. If your state is not included in the listing to the right, the minimum wage rate has not changed.*

Be sure to comply with any city or other local wage requirements (which may be higher than the state or federal minimum wage) that may apply to your business. For more information on state minimum wage laws, including poster requirements, please visit our **State Laws** section. Click on your state and select "Minimum Wage" in the left-hand navigation menu.
